L'Héritage de Carillan Agir, IGP Pays d'Oc, Cabernet Sauvignon, Rouge

IGP Pays d'Oc, France

L'Héritage de Carillan has selected for you a rich and varied range of wines from France. The result of the work of our experts, discover through our range, wines with unique aromas.

It is in the heart of the oldest vineyard in France (6th century B.C.) that the wines of the OC region are found. Open to the Mediterranean Sea, it stretches along the Gulf of Lion, from Nîmes through the Camargue to the Spanish border.

PRESENTATION

"Acting for a responsible viticulture": the winegrowers are committed to the preservation of the French winegrowing landscape. This wine comes from a vineyard that participates in the preservation of the land for future generations. The winegrowers are part of a certified environmental approach.

IN THE VINEYARD

Cabernet Sauvignon is a grape variety known for making great red wines, rather full-bodied, tannic, but fruity and pleasant to drink. It is the most common black wine variety in the world after Merlot, thanks to the high quality of its wine.

VARIETAL

Cabernet sauvignon

Contains sulphites.

SERVING

Traditionally served at room temperature (between 15 and 17°C), you can enjoy it chilled during the summer months.

TASTING

It has a beautiful deep red colour. On the nose, the wine presents notes of black fruits such as blackcurrant and blackberry, with a little spicy touch of pepper and liquorice. On the palate, the attack is ample with silky tannins. The finish is persistent, dominated by red fruits.
